RE: ***Local Campaign Finance Reporting Waiver***

Dear Committee Treasurer:

Campaign finance committees with a dual filing requirement for campaign finance reports have an opportunity to eliminate filing their report with the local election authority ***if the local election authority has signed an agreement with the Commission to waive the local filing requirement, and if your committee signs the enclosed agreement to file all future campaign finance reports only in the Commission's electronic format.***

Enclosed is a list of the local election authority that signed a notice waiving the local filing requirement, for a committee with a dual filing requirement if the committee signs an agreement to file all future campaign finance reports using only the Missouri Ethics Commission approved electronic format.

A list of the local jurisdictions that have filed a notice with the Commission to waive the dual filing requirement for campaign finance reports may also be found on the Commission's web site: www.mec.mo.gov.

If the local election authority with whom your committee is required to file is included on the list, you may take advantage of this opportunity for your committee by completing the enclosed agreement and return a signed, dated copy to the Commission. You will receive confirmation of the agreement via an email to your committee's official email address as listed on your *Personal Identification Number Application*. A copy of the agreement will be forwarded to the local election authority to notify them of the agreement.

If your committee has not already obtained a confidential PIN number to file reports, complete the enclosed Personal Identification Number Application form and return it with your signed agreement. Upon receipt of your PIN application a password will be emailed to you. Please ensure that all matters of mutual interest,

Yours truly,

Robert F. Connor

Our committee understands that after being notified by the Commission of receipt of this

LOCAL CAMPAIGN FINANCE REPORTING WAIVER

The Missouri Association of County Clerks and Election Authorities adopted the following resolution at their annual meeting in September 2003.

“Now therefore be it resolved, that the Missouri Association of County Clerks and Election Authorities encourages the Missouri Ethics Commission to maintain a free voluntary electronic filing program whereby those local election authorities who choose to participate will be relieved of the obligation to maintain a paper copy report of certain campaign finance committees obligated to file copies of reports with both the local election authority and with the Missouri Ethics Commission, provided the campaign finance committee signs an agreement to file all future campaign finance reports with the Missouri Ethics Commission in the Commission’s approved electronic format.”

Note - The below listed county clerks and election authorities have agreed to waive the dual filing requirement for campaign finance committees in their jurisdiction provided the committee signs an agreement with the Commission to file all future campaign finance reports only in the Commission’s approved electronic format.
